No LDAP connection

AQUI DECLARAMOS CADA UNO DE LOS CAMPOS, COMO NOMBRES Y ROLES

ICON COG, PODEMOS ASIGNARLE UN PIN

The screenshot shows the 'Users' tab in the KIP Accounting Center. A table lists three users: Administrator, Service, and John. The 'John' user is selected, and a 'Set Password' dialog box is open over it. The dialog box has fields for 'Password' and 'Confirm Password', both with masked input (dots). It includes 'OK' and 'Cancel' buttons. The background interface shows tabs for Settings, Users, Roles, Project, and Department. The Users tab has a toolbar with icons for New, Delete, Export, Import, Reset, and Save (activated). Below the toolbar are 'List actions' and 'Selection' buttons. The right sidebar shows a printer selection (KIP-970K) and summary statistics: Total Items (Users: 2 (+1), Roles: 3, Project: 1, Department: 1) and LDAP Status (No LDAP connection).

	User Name	First Name	Last Name	Roles	eMail	
<input checked="" type="checkbox"/>	Administrator	Administrator	Administrator	Administrator		
<input checked="" type="checkbox"/>	Service	Service	Technician	Service Technici...		
<input checked="" type="checkbox"/>	John	John	Lennon	User		

SESION DE ROLES

The screenshot shows the 'Roles' tab in the KIP Accounting Center. A table lists three roles: Administrator, Anonymous, and User. Each role has a 'Features' column with a link 'Click here to view'. The 'New' button in the toolbar is highlighted with a hand icon. The right sidebar shows the same printer selection (KIP-970K) and summary statistics: Total Items (Users: 12, Roles: 3, Project: 0, Department: 0) and LDAP Status (LDAP connected). The bottom status bar shows 'Service' with a green indicator.

	Name	Features	
<input checked="" type="checkbox"/>	Administrator	Click here to view	
<input checked="" type="checkbox"/>	Anonymous	Click here to view	
<input checked="" type="checkbox"/>	User	Click here to view	

## AGREGAR NUEVO ROL

The screenshot shows the 'Roles' tab in the KIP Accounting Center. The interface includes a top navigation bar with 'Settings', 'Users', 'Roles', 'Project', and 'Department'. Below this is a toolbar with icons for 'New', 'Delete', 'Export', 'Import', 'Reset', 'Save (activated)', 'Select All', 'Select None', and 'LDAP role mapping'. The main table lists roles with columns for 'Name' and 'Features'. The roles listed are 'Administrator', 'Anonymous', 'User', and a new role 'Black and White User' which is highlighted in yellow. A hand icon points to the 'Click here to view' link for the new role. On the right, there is a 'Printer' section showing 'KIP-970K' and a 'Total Items' summary: Users: 12, Roles: 3 (+1), Project: 0, Department: 0. The 'LDAP Status' is 'connected'. A 'Service' status indicator is at the bottom right.

Name	Features
<input checked="" type="checkbox"/> Administrator	Click here to view
<input checked="" type="checkbox"/> Anonymous	Click here to view
<input checked="" type="checkbox"/> User	Click here to view
<input type="checkbox"/> <b>Black and White User</b>	Click here to view

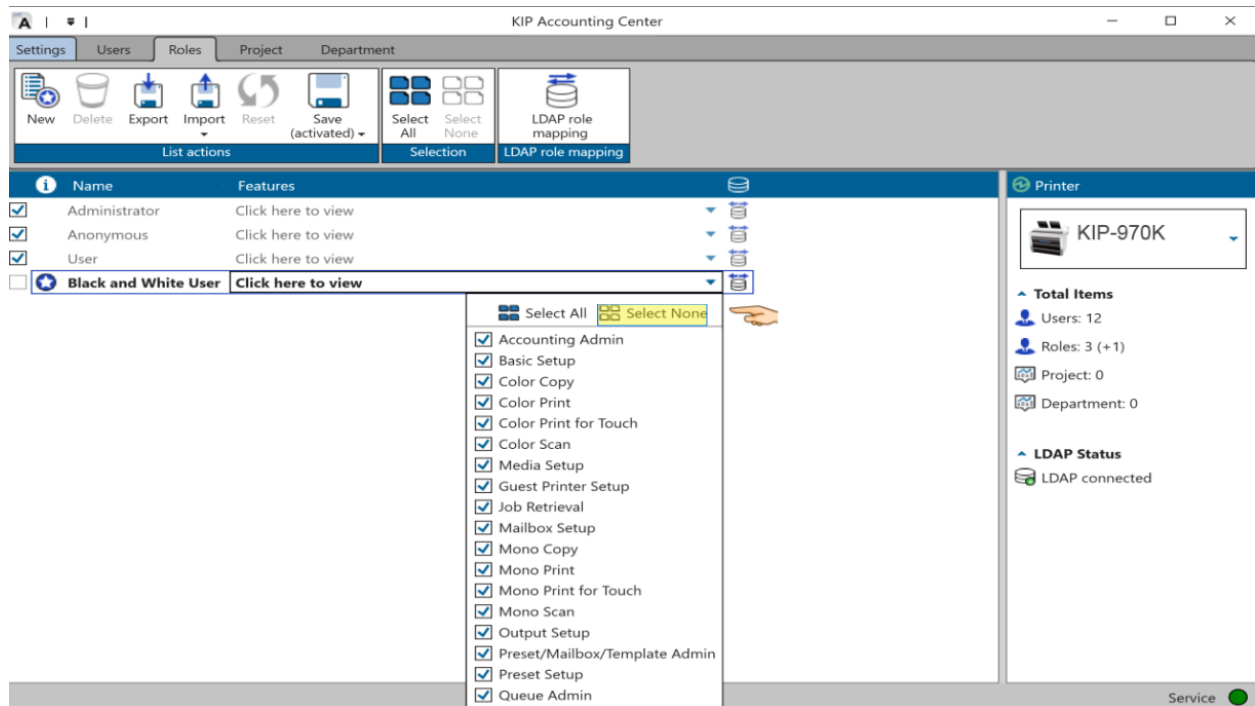

This screenshot shows the same 'Roles' page, but now the 'Black and White User' role is selected, indicated by a blue highlight. A yellow box with the text 'Click here!' is positioned below the table. The rest of the interface, including the toolbar, summary statistics, and status indicators, remains the same as in the previous screenshot.

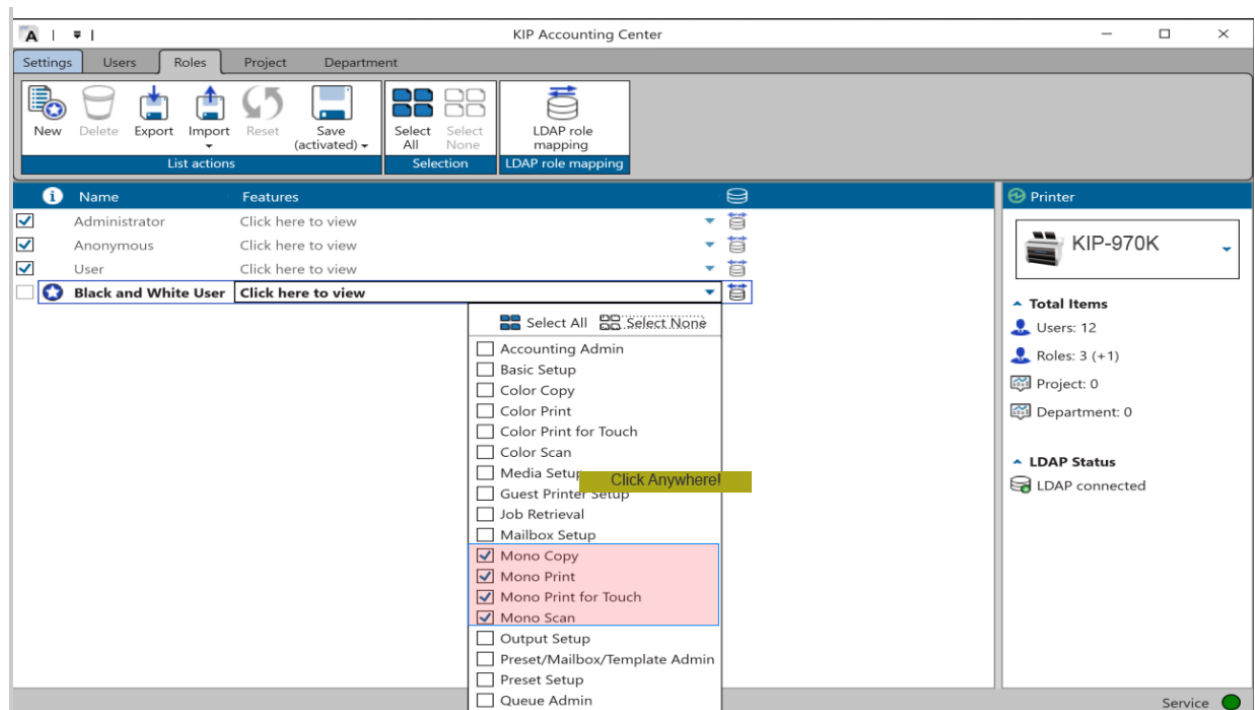

Name	Features
<input checked="" type="checkbox"/> Administrator	Click here to view
<input checked="" type="checkbox"/> Anonymous	Click here to view
<input checked="" type="checkbox"/> User	Click here to view
<input checked="" type="checkbox"/> <b>Black and White User</b>	Click here to view

Click here!

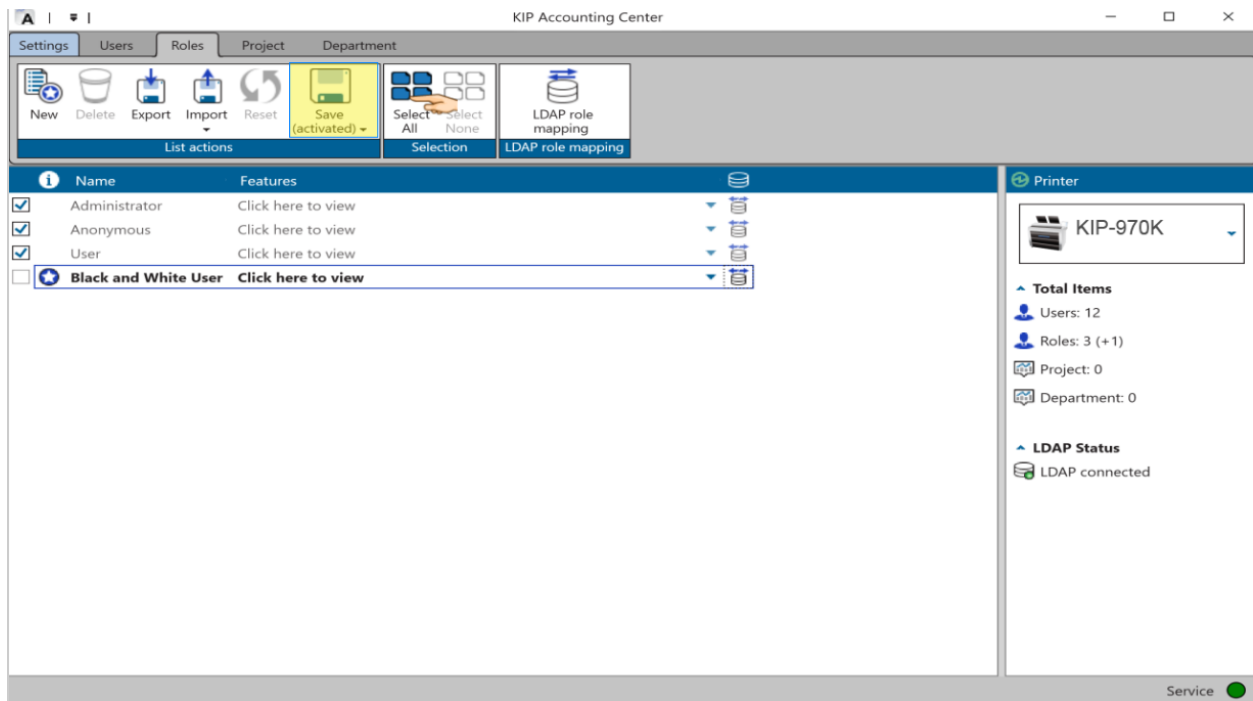

AQUÍ PODEMOS ASIGNARLE PRIVILEGIOS A LOS ROLES

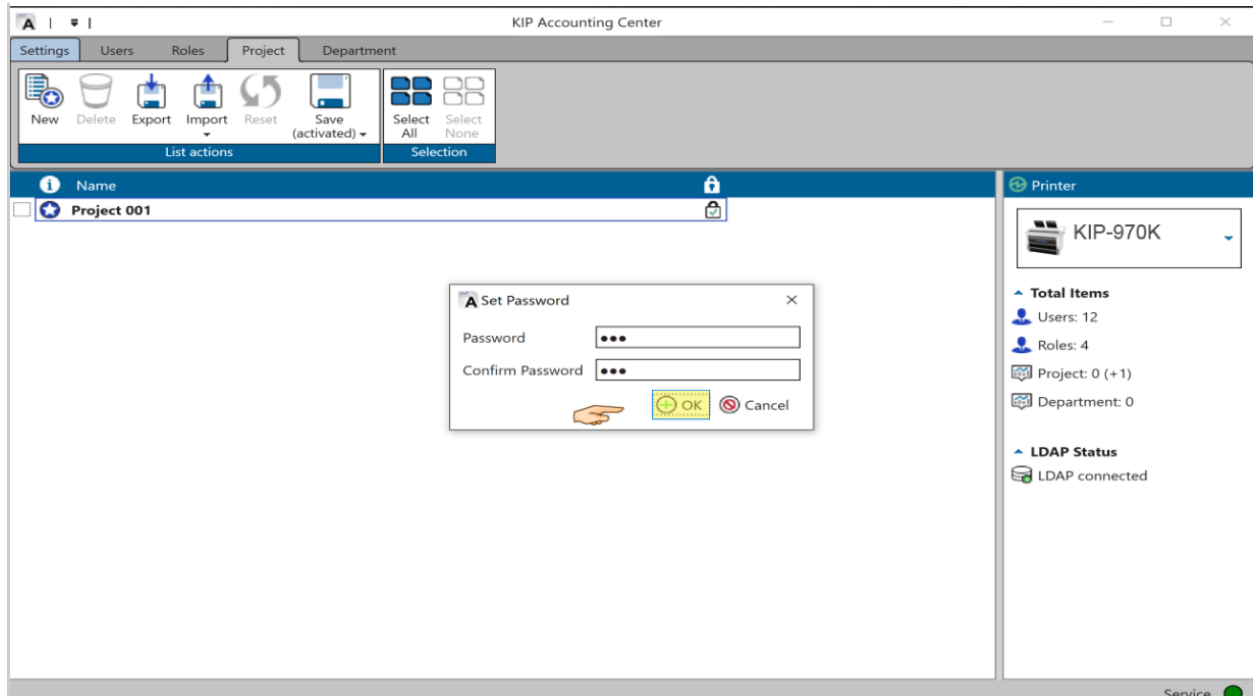

EN ESTE CASO DEJAREMOS SOLO LOS SERVICIOS BASICOS
