

INSTALACION DE DRIVER

The image shows a web-based interface for installing and removing drivers. The main heading is "SYSTEM SOFTWARE K", with a large blue "K" and a star icon. Below this is "KIP Windows Driver" in blue, followed by "Driver Installation and Removal" in grey. A yellow button with the text "Click Anywhere!" is positioned over the word "Driver". The interface has a blue header bar with the KIP logo and "KIP-870-KTC" on the left. On the right, it shows "Session Expires in: 19 min" and links for "EN", "DE", "More...", "Settings", and "Log In". Below the header is a navigation bar with icons for a home page, printer, chat, clock, and settings. The main content area has two tabs: "Machine Status" and "Software and Drivers", with the latter being selected and highlighted in green. A hand cursor is pointing at the "Software and Drivers" tab. The bottom of the page shows a URL: "http://10.10.1.128/Home/index%23collapseOne".
